REFLECTION ON ORIGINAL TEST

Briefly explain why you think you earned your original score. How well did you understand the content? What were your study habits like? How did you do on the original test? Were there extenuating circumstances that prevented you from performing your best?

STEPS TO IMPROVE

Explain what you have done to improve your understanding of the content and prepare to retest. You must give at least three (3) examples with details – e.g. tutoring, extra studying, teacher conference, practice quizzes, etc.

POST-RE-TEST REFLECTION

What have you learned from your preparation that you didn't know before? How has it increased your understanding or confidence in the test? What did you learn from completing test corrections today?
